Winemaking

Estate grown Shiraz was picked as each block reached optimum ripeness and acidity. Fermented and cared for by our winemaking team and blended to make this harmonious style. The 2019 Riverland vintage endured hot, dry conditions of over 35 degrees for 48 days resulting in lower than average yields with concentrated flavours and richness. The Byrne Estate Grown Shiraz displays these hallmarks of fruit, tannin and balanced ripeness.

Colour	Deep ruby red with purple hue.
Nose	Wild mixed aromas of blue and black berries, with creamy vanillin French oak.
Palate	The palate displays abundant blueberry fruits, supported by spices of white pepper, vanilla and cinnamon. Delivering length and a subtle complexity with cedar French oak influence, the Shiraz showcases the age of our low-yielding mature vines.
Food Pairing	Pan seared fillet mignon with aged hard cheeses such as Gouda.
