

WOOLPUNDA

WOOLPUNDA SHIRAZ 2018

Woolpunda originates from a beautiful vineyard once used for sheep farming with breathtaking views in South Australia. The word Punda means water so we bring together the essence of Australian farming heritage with quality Australian wine.

Grown on our estate vineyards, this Australian Classic variety is perfectly suited to slow roasted or curry lamb dishes.

Deep magenta in colour, with ripe cassis and rich plum fruit aromas, accompanied by fragrant spices of cinnamon, vanilla and subtle cedar oak.

The full bodied palate is intense with concentrated raspberry and mulberry fruits, anise and mocha accents that linger through the persistent finish. Vegan
